## ABOUT DOVER INTERNATIONAL SPEEDWAY

With its 24-degree turns, slick concrete surface and intimidating reputation for tough treatment on both drivers and race cars, Dover International Speedway more than earned its “Monster Mile” nickname since the green flag dropped on its first race in 1969.

The one-mile, high-banked oval hosts two NASCAR tripleheader weekends each year, featuring all three national touring series – the Monster Energy NASCAR Cup Series, the NASCAR Xfinity Series and the NASCAR Gander Outdoors Truck Series – as well as the NASCAR K&N Pro Series East, one of the sport’s top developmental series.

While nothing beats sitting in the grandstands to witness the excitement of a race at Dover, fans can experience a different type of thrill with a behind-the-scenes track tour at the Monster Mile. Available most weeks of the year, a tour at Dover provides exclusive access through a number of exciting options.

- Any of our guided track tours may include some of these stops:
- The Monster Monument at Victory Plaza
  - Sunoco Victory Lane
  - Monster Energy NASCAR Cup Series garage
  - The Monster Bridge, also known as “The Most Exciting Seat in Sports!”
  - An up-close view of the track and pit road
  - A visit inside the KDI Office Technology Media Center

We encourage guests to bring their favorite camera as each stop provides great photo opportunities and gives you a chance to always relive your Dover visit!

## “EXPLORE THE MONSTER” TOURS

Guided tours of the Monster Mile are held on most Thursdays at 10 a.m., weather permitting. For just \$10 per person, fans can get special, behind-the-scenes access to Dover International Speedway. Tours begin and end in the ticket lobby (near parking lot E), where guests will be transported to the tour’s various stops. Tours will not be held on holidays, or for two weeks prior to each NASCAR tripleheader weekend. Fans are encouraged to call (302) 883-6561 to verify availability. Dates are subject to change.

## CAUTION FLAG

- While there are no age limits on participation, please keep in mind that the tour takes place outdoors, and involves some stairs and walking.
- For your safety we ask that the group stay together while following the tour guide and refrain from climbing up the banking of the track towards the wall.
- Occasionally, there may be debris on pit road or the track itself. Please refrain from picking up debris as a souvenir, as some objects could be sharp or otherwise cause injury.

## BLACK FLAG

Dover International Speedway reserves the right to remove you from the property if your behavior is offensive, poses a hazard to others, or violates any of our rules and regulations. Please make your tour experience enjoyable for everyone!
